Talks About His Delivery Daily in Gratitude-Gained Fifteen Pounds in Weight Since His Rescue.

URBANA, Ohto - (Special) - This town is reatly exercised over the remarkable rescue of Sheriff R. P. Wilkins from one of the worst forms of slavery known to man. He as now fully recovered from the results of nis experience and talks freely and gratefully of his deliverer. In an interview today he said: "I have been a perfect slave to to-bacco for over twenty-five years; I smoked from twelve to fifteen cigars a day. No-

by the use of the weed." Further investigation revealed the fact that

Anderson & Cramer stated that they were Anderson & Cramer stated that they were the first to start the good work here, as Mr. Anderson termed it. "Yes, we introduced the regular exercises there. If the ball could have been doubled it would still have ago. The demand at the start was very been none too large to accommodate the peo-light, the folks had no faith in it, but we ple who came to see Director Cook's young sold to a few people, and to our great astonishment every one reported a cure. Since that time we have sold hundreds of boxes, and every one under a guarantee to cure or refund the money, and strange as it may seem, we have never had a call to refund money."

No-To-Bac not only relieves the nervous stage. irritation and makes the use of tobacco en-tirely unnecessary, but at the same time builds up and fortifies the general physical condition. As a natural invigorator and stimulant we believe there is no preparation

In America to equal it.

"The public should be warned, however, against the purchase of any of the many imitations on the market, as the success of No-To-Bac has brought back a host of counterfeiters and imitators. The genuine No-To-Bac is made by the Sterling Remedy Co., Chicago, Montreal and New York, and is sold under a guarantee to cure by all ever tablet has the word No-To-Bac plainly stamped thereon.'

present. Everhardt was somewhat the favorite in the betting, although Leeds had lots of friends. As a curtain raiser Frank Erne of Ruffalo and Jack Downey of Brooklyn boxed ten rounds. Tim Hurst was the club's referee. Downey and Erne cach weighed under the limit of 125 pounds. The fighting was fast from the beginning. Downey bled Erne's nose with a left-hand smash during the opening round. The following rounds were all closely contested. Both men had the advantage at times. During the ninth and tenth rounds Downey received severe punishment and when Referee Hurst announced the hout a draw there were numerous cries for Erne and protests against the decision.
